Nutcracker News!

It's October, which means Nutcracker! Hopefully you already have some of these important dates written in your calendar from the last newsletter, but here is a recap:

-Parent Meetings & Costume

Fittings – Oct. 7th-12th

These are for Ballet II and under, Modern II, & Boys II and under. They will take place during your child's class time. Ballet II meetings are during the Tuesday 4:00pm and Saturday 9:30am classes. Please plan on attending. If you miss costume fittings, please bring your child in to the store to get fitted by mid-October. That way we will not have to guess your dancer's size. As always, costumes will be practical and reasonably priced.

We are hoping to have tickets go on sale, Monday, October 14th, at 10:00am. **However**, we are waiting to hear back from the theatre for confirmation. We hope to have the date, time and prices confirmed for the parent meeting agenda. You will be able to purchase tickets at the Elsinore box office or on their website, Elsinoretheatre.com. Please be very careful to visit this exact site, as there have been scalping sites popping up selling our

Party Parents & Casting!

~~Just like every year, we need parents to be~~ in the party scene! This is a lot of fun, and it's a very limited commitment. The role is mostly acting with a few simple dance steps. It really is a great way to support your

Casting

In the coming weeks dancers will be learning what role they will play in this year's nutcracker! Casting is hard for younger and older dancers alike. As

tickets at a very high rate. The Elsinore does charge a 5.00 fee per transaction, and seating is reserved, so plan to purchase all your tickets at the same time. **Also Note:** Although the Elsinore box office does open at 9:00am, they will not be selling tickets for The Nutcracker on the first day of sales until 10:00am.

-All Cast Rehearsals – Nov. 16 & Nov. 23 These will take place at ABA. These are both mandatory rehearsals, and are the only times before the dress, that the dancers have a chance to practice with everyone else.

-Spacing Rehearsals – Friday Dec. 6th: These happen at the Elsinore after school. Exact times TBA. Boys I & II, Modern II, and Ballet I and up. Please Note: Pre-Ballet II classes arrive 30 minutes early for the dress rehearsal, in order to do spacing then, instead of on Dec. 6th.

-Dress Rehearsal – Dec. 7th At the Elsinore starting around 10:00 am (Pre-Ballet II 9:30am for spacing), so we can have a good break before the show that night.

-Nutcracker Performances – Dec. 7th & 8th

dancer! We will be having 3-4 rehearsals on Saturdays at ABA. Of course we will need you present at the all casts, spacing, and dress rehearsals as well. If you are interested, please email americanballetacademy@gmail.com for more information!

we discussed in the last newsletter, there will undoubtedly be some disappointed dancers. Please remember to support your child in whatever role they receive. Remember that

Eugene Nutcracker Auditions

If you don't already have enough Nutcracker in your life, come audition for the Eugene Ballet's production! This is a great opportunity for dancers to participate in a professional production. Auditions will be held at ABA on October 13th:

- Party Children – 2:00-3:30 (ages 11-15)
- Bon Bons – 3:30-4:30 (ages 9-11)
- Angels – 4:30-5:00 (ages 7-9)
- Baby Mice – 5:00 (ages 5-7)

Please come 30 minutes before your audition time with \$10-\$15 cash or check. Please make checks payable to Eugene Ballet Company. Rehearsals will mostly be held on Sundays at ABA. For more information, please contact Jennifer Martin at jennifer@eugene-ballet.org.

your attitude will likely greatly affect their outlook. I hope everyone knows that Annie values all of the ABA

Opportunities to Help

Of course we cannot make these performances happen without the help of our parents! One of the best ways you can help is to bring your child to classes. This is the best way to help them be confident and anxiety free for the big day. Please review or attendance policy in the ABA handbook.

If your dancer misses too many classes, they may be asked to come in for a private lesson to catch up. We try not to make this happen too often, but it is the best way to catch up a dancer. Privates start at 27.50 for the first half hour of a week day & 32.50 for the first half hour of an evening or weekend, then they are 40.00 an hour after that.

To make the show a reality, we need volunteers. At the parent meetings, volunteer lists will be passed around for you to sign up. Please consider filling an empty spot! **This year we also have an online sign-up sheet**, to make it easier on parents who have a hard time getting to the studio, or have a hard time finding the list when they are at the studio.

One of the most important positions is that of class coordinator. These are the volunteers who stay with a class at all

Parking Lot Safety and Reminders

With the days growing shorter, and the rain back again, we wanted to review our lot safety practices.

First: **please do not park in the marked triangle at the entrance to the lot.** This area is needed for there to be room for cars to come in and go out at the same time. If someone is parked there, we end up with cars in the road, on the blind corner, waiting for others to pull out.

Second: **please also do not park in the painted square at the far end of the lot.** This space is needed for a turn-around. If someone is parked there, and the rest of the lot is full, it is impossible for anyone to turn around.

dancers, and does her best to cast everyone in a role that will let them grow & shine the most!

times during rehearsals, and performances. They make sure the dancers in their class are happy, and ready to dance. This is a position that we must have filled for each show, for each class.

We know that some parents don't have a lot of time around the shows to volunteer, but there are many less time consuming jobs on the list, and things you can do before the show. We can always use help with sewing, if you have experience with it! As many of you know, our performances are fundraisers for different charities, so by advertising in the program, you are showing your support for the production, as well as helping out those in need. 199.00 and under gets you a listing, 200-399 gets a ¼ page ad, 400-749 gets a ½ page ad and special recognition at the beginning of the show, and 750+ gets a full page ad, and special recognition at the beginning of the show. Thank you all in advance for finding a way to help make this show a great success!

Third: **Please never park in the designated handicap spot, even for a few moments, unless you are displaying a permit.** We do have families that need to use this spot, and they have told us that in the past they have not been able to, due to someone parking there without a permit.

We'd also like to remind families not to block any of our neighbors' driveways, even partially. Also, please remind your dancer to wait inside for you, if you are running late (even our oldest students). Thank you all for helping us keep our ABA families safe!
